### How Gift Aid works

The Gift Aid scheme is for gifts of money by individuals who pay UK tax. Gift Aid donations are regarded as having basic rate tax deducted by the donor. Charities or CASCs take your donation - which is money you've already paid tax on - and reclaim the basic rate tax from HM Revenue & Customs (HMRC) on its 'gross' equivalent - the amount before basic rate tax was deducted.

Basic rate tax is 20 per cent, so this means that if you give £10 using Gift Aid, it's worth £12.50 to the charity. For donations between 6 April 2008 and 5 April 2011 the charity or CASC will also get a separate government supplement of three pence on every pound you give.

If you pay tax at the higher rate, you are entitled to claim further tax relief in your Annual Self-Assessment tax return.

Please notify us of any changes in your circumstances, including changes in your name or address.

**You can cancel this declaration at any time by notifying us either by phone or in writing.**

If you are unsure whether your donations qualify for Gift Aid tax relief, please do not hesitate to contact HMRC online at [www.hmrc.gov.uk](http://www.hmrc.gov.uk) charities-donors/charities and CASC/Gift aid schemes for charities and CASC.
